

OUR STORY...

Family Health Services is a Federally Qualified Health Center with locations in Sandusky and Norwalk. Our mission is to provide quality healthcare services without financial barriers. We continually strive to improve the health of our community by providing a "healthcare home" to address the physical, mental, spiritual, and social well-being of our patients. Our providers are the most experienced, skilled, and empathetic team of medical professionals. We accept Medicare, Medicaid, and most commercial insurances. Additionally, we use a sliding fee scale. No one is turned away due to inability to pay.

In continuing with our vision, we are undergoing a renovation of a newly purchased historic building in downtown Sandusky. At this location, we will offer primary care, behavioral health and an affordable retail pharmacy. This new medical center will expand access to quality care and make Sandusky a healthier community.

The proceeds from this event will benefit the new medical center renovations and a portion of the proceeds will be given to local first responders in remembrance of this day in history.

Thank you for supporting Family Health Services and local first responders! We look forward to a great event!
